Re: TCEQ Letter Dated June 6, 2019, Concerning  
Southwest Shipyard ("SWSLP") TPDES Permit No. WQ0002605000

Dear Ms. Ligarde;

Southwest Shipyard is in receipt of your letter, referenced above, to our counsel concerning SWSLP's TPDES permit authorization. This letter is to confirm that SWSLP will comply with TCEQ's determination that our TPDES permit does not authorize SWSLP to treat and discharge off-site wastewater generated from ITC fire response operations. We are also confirming that SWSLP did not discharge ITC fire response operation wastewater.

Respectfully,

Dan Irvin, P.E.  
Vice President of Environmental Affairs
